

Planes, buses and automobiles

YEAR 2 children took a journey through the past this week when they visited Brooklands Museum.

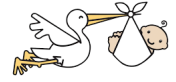

There was much excitement when they boarded Concorde, the world's fastest passenger plane. Concord may not seem past to some of us but it is actually 15 years since it was last airborne! The children got to see many aircraft from the past and also the old Routemaster bus and a variety of motor cars.

Good luck Miss Beacham

TODAY we said au revoir to Miss Beacham who is leaving to have a baby. We're sure you all join us in wishing both Miss Beacham and Mr Dodman good luck for their forthcoming happy event.

At the movies

DO you have a couple of hours to spare? The PTA are looking for adult helpers for the forthcoming Movie Night for the children on Thursday 18 October. If you think you may be able to help, please give your details to the school Office.

Let's get quizzical!

GET your team together ready for the Parents Quiz Night next Friday. Tickets available from the PTA or speak to School Office.

Time to say cheese!

The school photographer will be in school on Wednesday 3 October. Please remember your jumper or cardigan. If needed please bring a hairbrush or comb.

Please give generously

OUR Harvest collection is for the Manna food bank. Please donate if you can. We'd like to beat last year's donations and are quite far behind at the moment. Tins and packets only please. No fresh food.

Being a good citizen.

WHAT does it mean to be a good citizen? Being kind and respectful certainly but it is more than that as Year 6 children discovered when they visited Walton Fire Station. They were taught a wide range of skills including stranger danger, basic first aid, first safety and what to do if you need to make a 999 call.

Weekly reflection

Train up a child in the way he should go
Even when he is old he will not depart from it
