WHAT does 'bringing in the Sheaves' actually mean? Well sheaves are bundles of wheat and this is how wheat used to be gathered. Therefore it means bringing in the Harvest. This Tuesday children in years 3—6 will be celebrating Harvest time at St Matthews Church. We are also asking that you help us help others who are not so fortunate by bringing in your harvest donations. Suggestions of what to bring are on the list on the left. We are grateful to any parents who are able to walk to and from church with us. The infant children will be having their own harvest celebration at school during next week.

Mud, mud, glorious mud!

COOKING up some great mud pies our new reception children have really enjoyed making use of the new furniture in our mud kitchen. The kitchen allows them to develop their social skills and imaginations as they take it in turns and invite their friends to their mud tea parties.

Year 6 Super Citizens

DO YOU know what you should do if a dog runs up to you in the park? This was just one of the things that Year 6 children learnt when they attended the Junior Citizen

workshop this week. The workshop taught them a wide range of skills including fire safety, first aid, stranger danger and how to make a 999 call. They all should now be better citizens. In case you are wondering what the answer to the dog situation is—you should stand still with your arms folded across your chest!

Think... Safety first

WE would kindly like to remind parents that when dropping off or collecting from school to please be extra careful. We want to keep all our children safe. Could we also ask that when you are parking that you consider our neighbours and refrain from parking in or over driveways. Thank you.

PE Kits

THANK you to those of you who have donated any spare PE Kits. We are still in need of spares. If you are able to donate any that is clean and in a reasonable condition we would be very grateful.
