

## And on that farm they had a ...

**PIG, goats and sheep** but so much more that just animals as Year 3 children discovered when they visited Buster Ancient Farm last week. Learning how people lived during the iron age, the children were able to make pots using clay from the ground just as our ancestors did. In the picture on the right you can see William from Lemur class learning how to use a basic spindle to spin wool to make into yarn in the way that clothes and blankets would have been made.

### Time to go home

WE would like to remind you that the blue hometime forms must be completed for anyone picking up your child other than a parent. These forms do not 'rollover' from year to year so please make sure you complete your new forms for this year.

### Job Opportunity

AN opportunity has arisen at Littleton Infant School for a Caretaker. This is a full time position with core hours of 07.30—11.30 and 14.45—18.00. Please contact Susan Holmes on 01932 563271 for more details.

### Reminders

- **Don't forget to return your forms for our special harvest lunch by next Friday 23rd at the latest.**
- **Please also return your data sheet with any amendments.**

### Future Olympians?

A FUTURE Louis Smith, Mo Farrah or Jessica Ennis-Hill? Who knows we could have a future Olympian at our school. We are delighted that everyday we have at least 3 people from Sports Focus who come at lunchtime and teach our children new skills in sport.

In addition they will also now be part of Junior PE curriculum delivering high quality Games lessons and hopefully helping to produce some future sporting stars!
