

It's not just Pizza!

YEAR 6 getting into the mood for their project on Italy, thanks to help from Pizza Express in Staines and Chertsey.

IT may be a country shaped like a boot, it may have a special reputation in the world for football, it may be very famous for its food, but Year 6 will be finding out that there's a lot more to Italy than just Pizza.

Over the next half term, our new Leopards and Panthers will be expanding their horizons and their beliefs about this Mediterranean island.

Two new faces

THE new faces in our kitchen are Mrs Faye Thornborrow, left, our new school cook, and Miss Hannah Billam, right, her assistant.

We're very pleased they have joined our team. We hope they will be able to get into their new kitchen by half term. At the moment meals are being cooked at a local school and brought to us. That means the food has to be less adventurous and we know some of our children are not enjoying their dinners as they used to. But we know the best is yet to come. It will be worth the wait.

Don't forget ...

IF you can't collect from school, you must sign a BLUE COLLECTION slip to give someone else permission to collect your child.

IF your child has a medical or dental appointment, please complete a PINK slip before the appointment so the teacher knows your child will be away from school.

WEEK beginning 22 September is MEET YOUR TEACHER week. Year 3 and Year 5 will meet on Tuesday; Year 2 and Year 4 will meet on Wednesday; Year 1 and Year 6 will meet on Thursday.

THERE is a Year 6 Residential briefing for all Year 6 parents on Monday next week straight after school in the school hall. Don't worry if you can't make the briefing as any information can be forwarded later.

OUR new class aspirations are on the school website and in the foyer. Reception will write theirs before half term.
