Other Information:	This will be a great opportunity for the children to begin their theme on the Stone, Iron and Bronze Ages by visiting a fantastic working site and experience life in the distant past. You can find out more information about Butser Farm at http://www.butserancientfarm.co.uk/ . It will also be a great opportunity for the year group to bond and share an experience at the beginning of their lives as Junior School children. We appreciate the costs involved to parents and can assure you that trips like this will not be happening regularly throughout the year. Children should come to school in old clothes rather than uniform with strong, old shoes (or wellingtons if it is very wet). A change of shoes is essential in case they should get very muddy before the coach journey back to school.
