

Ashford Church of England Primary School

Laleham and Ashford C of E Primary Schools Partnership

6 December 2018

Dear Parents and Carers,

We are writing to update you on the progress of the Laleham and Ashford C of E partnership. As you know the partnership was put in place in September and I am sure you will agree that much work has already started in our continued drive for high standards. Our recent successful Ofsted Inspection highlighted many positive aspects of school life but also confirmed the challenge of raising standards across the school. The partnership is proving to be highly successful and we can already clearly evidence the impact of the new dynamic leadership team. Governors have been monitoring closely the work to date and have been impressed by the drive, commitment and positivity of all those involved in the school.

With this in mind, our governors have worked with Laleham C of E to agree an extension to the partnership for 2019/20. This will ensure continuity and a continued focus which will enable the school to strive for our vision of being an excellent church school as well as achieving high standards of teaching and learning for all our pupils.

Both Ashford and Laleham governors and staff are very excited about this continued partnership as there are many advantages and opportunities for both schools.

We are therefore pleased to advise you that the partnership will be continuing for the next academic year. Should you have any questions regarding this process, governors can be contacted through the school office.

Yours sincerely

Phil Wells
Chair of Governors (Ashford)

Catherine Batt
Chair of Governors (Laleham)
