

Ashford Church of England Primary School

6 October 2016

Dear Parents and Carers,

Please answer the questions below regarding the ethnic background of your child. We may have asked you about your child's ethnic background before. However the Department for Education and Skills (DfES) needs all schools to check with parents again as there has been a change in the ethnic categories being used nationally. This information is important.

When this information has been collected it will be used to compile statistics on the schooling and experiences of children from different backgrounds. These statistics will also be passed to the Local Education Authority and the DfES to contribute to local and national statistics. **This information will not be used for any other purpose and will not allow individual children to be identified publicly.**

Yours faithfully

Mrs C Dyer
