

Ashford Church of England Primary School

To Parent/Carers of Kangaroo Class

7 March 2019

Dear Parent/Carers

I am delighted to inform you that we have recruited an experienced Early Years teachers to cover Miss Richardson's maternity which is due to start at the beginning of April.

Mrs Tarryn Flood will be joining us for the start of the summer term. She is relocating with her family from South Africa. Mrs Flood is very excited about teaching your children; she is passionate about education and child development and believes strongly the principles of our Early Years curriculum. She will be visiting the school on 27 March to meet the children and staff and you may have an opportunity to say hello to her at the door at the end of the day.

Miss Richardson's last day will be Friday 29 March. The following week Mrs Bailey and Mrs Forster will be covering across both classes to ensure consistency before Mrs Flood starts after Easter.

I am sure you will all join us in wishing Miss Richardson well at this happy time and welcoming Mrs Flood to the school.

Kind Regards

Mr R Austin
Head of School
