Meet the Teacher Week

**Next week is our meet the teacher week in school.
You are warmly invited to meet your child's teaching team.**

To further assist you in supporting your child's learning and development the teachers of each year group will be hosting an information meeting. They will jointly present to parents the areas of learning that the children will be exploring through the year and explain the weekly timetable. They will talk about their expectations, rules and routines, 'Wow' events, home learning, general information and how you can help your child at home.

On each day the pupils from the classes meeting and their school aged siblings can be taken to the school hall where other school staff will look after them until the meeting has ended.

If you have a child in the other year group meeting on the same day please choose which meeting you would prefer to attend.
