

10 May 2019

Dear Parents and Carers,

Summer Fayre 2019

As we enter the Summer term the PTA are starting to plan their biggest event of the year, which is the Summer Fayre.

The Summer Fayre takes place this year on Friday 28 June. A lot of time and work goes into planning and organizing the Fayre and this year we have decided to try something different.

The responsibility for the class stalls will be given to the class parents. We would therefore ask if you could collaborate with other parents with children in the same class as yours to organize and run the stall for the whole event.

The PTA are happy to offer a guiding hand with any questions or queries.

You will be given a budget as a class which will need to be managed. The budget should be used for stall decorations and any prizes. Please keep all receipts for anything that you have purchased and the PTA will reimburse you.

As parents please chat to each other and decide what stall you would like to do and how you would like to run it. A list of the stalls can be found below. However, any other ideas would be considered.

Details of set up and clear down will follow. Any questions, please email the PTA on PTA@ashford-primary.surrey.sch.uk.

We need your help!

Thank you and kind regards

Kelly Chessman
PTA Chair
