

Reception technology questionnaire

As part of the Early Years curriculum there is a learning goal specifically related to technology. We are aware that the children have access to a wide range of technology at home and we would be grateful for some information from you about how your child uses technological equipment.

Please could you fill in the questions below and return it to your child's class teacher by **Friday 10th May.**

Thank you

Child's name: _____

Can your child turn on and use simple technological equipment?

Please give examples.

Can your child complete a simple program or game on a computer or tablet?

Please give examples.

Does your child know how to operate electronic toys, such as using a remote control to operate a car?

Please give examples.

Is there anything else you would like us to know about how your child uses technology at home?
