

Pre visit preparation has included:

- An approval form signed by Mrs Dyer and a designated Governor.
- The class teacher has visited the site in the period leading up to the visit.
- A risk assessment form has been completed and given to Mrs Dyer.

Class: Year One Tigers and Pandas	
Date: Monday 10th July 2017	Time: Usual school day
Learning Focus:	Art and Design- Using templates, holding a paint brush correctly Literacy- Speaking and Listening Role Play
Mode of Travel: In School	
<p>Cost of Visit: (Price of plain white t-shirt)</p> <p>During the day, the children will be taking part in lots of exciting activities. One of these will include designing their own superhero t-shirt. It would be really helpful and would enhance the children’s learning if you could provide a cheap plain white t-shirt that can be decorated using fabric pens, paint and glue. If this is not possible, your child will still be able to partake in all the other activities throughout the day.</p>	
Other Information:	<p>As part of our theme on Superheroes for this half term, year one will be having a superhero day in school. On Monday 10th July, Year One children will be able to dress up as their favourite superhero. This can be a pre-existing superhero or a superhero of their creation.</p> <p>Capes and masks will be permitted but will be kept inside during playtimes for safety reasons. Please ensure that your child is wearing sensible shoes that are appropriate for school. It would be beneficial if you could take the opportunity to discuss with your child the reasons for their choice so that they can share with the class why they admire their chosen superhero.</p>
