**Year 5 and 6 Police Visit Tuesday 18 July 2017**

Dear Parents and Carers of Year 5 and 6,

I am writing to inform you that we have booked a specialist School and Youth Police officer to come in and visit the Year 5 and 6 children to talk about responsible citizenship, cyber safety and how to stay in control of their own actions. The visit will take place on Tuesday 18 July 2017 during the morning sessions.

The purpose of the primary aged focussed session is to raise their awareness of personal responsibility, managing peer pressure, understanding of accountability and keeping themselves safe.

This is part of the statutory curriculum, and a safeguarding duty. I hope that this new approach may be more meaningful to the children rather than hearing it from their teachers.

Thank you for your continued support.

Yours sincerely
