

To Parents/Carers of Year 6

2 May 2017

**SATS week breakfast – Monday 8 May – Thursday 11 May 2017**

We are very proud of the efforts being made by our Year 6 pupils as they prepare for their SAT's papers and would like to thank you for the support that you are giving your child at home.

After the success of last year we will be running a breakfast session for Year 6 on SATS week. The aim is for our Year 6 children to again have a calm and relaxing start to the day enjoying breakfast with their friends and teachers. We wish to minimise any pressure that the children are feeling on the morning of each test and encourage them to eat and chat with their friends.

There has been a lot of publicity recently about the pressures of SATs. As a school we do our best to prepare your children for the tests and the transition to secondary school. I realise that some of you may have been concerned about the amount of homework but as well as preparing them for the tests it does help them to be ready for Year 7.

The SATS breakfast is another way in which we want to support your children and try to add some fun to these national tests.

We would be grateful if the children could **arrive at 8.15am and enter through the hall doors.** There is no charge for this activity.

**The breakfast will be:**

Cereal – a choice of Cornflakes or Cheerios

Toast with spread, Jam or Marmalade.

Fresh Fruit

Orange Juice, milk or water

On the Friday to celebrate the conclusion of SATs week the children will have a relaxing day with fun sports on the field and extra treats.

Yours sincerely
