

Home Learning Challenge

Create a poem or prayer for Harvest

In addition to your Mathematics and Reading home learning this week, we are giving you an additional challenge. We would like you to write a poem or prayer for this year's Harvest.

You can take inspiration from any aspect of Harvest. If you are writing a prayer, you can take inspiration from Bible verses or prayers that you know. If you are writing a poem, you can focus on any part of Harvest or this time of year.

Out of each Year Group, one winner will be selected and their writing will be read aloud at our Harvest Festival Services.

Poems should be written on paper and given to your class teacher no later than Monday 3rd October. You may include illustrations if you wish however the winners will be chosen on the basis of the writing only.

This is a piece of home learning to develop creativity and writing skills, not a competition, so it is expected that every child should take part.

We hope the children will enjoy this opportunity to be creative, and we look forward to reading their entries.

Good luck
