

Terrific Torquay

YEAR 6 children enjoyed a terrific few days on their trip to Barton Hall this week. It's getting hot in here!

EVERYWHERE has been hot this week but Year 4 were even hotter when they visited Kew Gardens. After a really interesting workshop about the rainforest and what grows there, they went into the Palm House to see it for themselves. The Palm House is an indoor rainforest full of tropical plants and vegetation. Many of the plants are endangered and some are extinct. The cocoa plant grows here and more importantly many of the plants are ingredients in vital medication. After sweating in the Palm House the children visited the Princess of Wales greenhouse and took some amazing photos of the plants there. They ended the day burning off some energy in the children's playground.
