

Science Week

ALBERT Einstein once said "I have no special talent. I am only passionately curious." On Wednesday, every child put their curiosity to good effect as part of our British Science Week activity day. British Science Week is a celebration of science, technology, engineering and maths that takes place every year. This year the theme was 'time', and the children carried out many investigations to do with this theme including making jelly, growing beans and creating water clocks and pendulums.

Dates for the diary

- 26th March—
Open Afternoon
Infants 2.30pm
- 27th March Open
Afternoon—
Juniors 2.30pm
- 27th March—
Easter Egg Hunt
- 28th March—End
of term—
**SCHOOL
CLOSES
EARLY—**
Reception—Years
1 & 2 1.30pm
Years 3 –6
1.40pm.
- 29th March—12th
April—Easter
Holidays—
**SCHOOL
CLOSED**
- 15th April—
Children return to
school
- 18th April—
Year 1 Trip to
Windsor Castle
- 19th April—Year 3
Swimming
lessons
commence

Get Lost at Hampton Court

YEAR 5 thoroughly enjoyed their trip to Hampton Court Palace as part of their learning about the Tudors. Some of the highlights of the trip included, a costumed workshop about the jobs in Henry VIII's court, exploring the fascinating rooms of the palace, and trying not to get lost in the famous maze!

Admiring Amazing Art

THIS week Year 2 travelled up to The National Gallery to explore paintings which enabled them to further understand the Easter story. They looked at paintings covered in real gold and participated in an interactive talk which deepened their knowledge on why the Easter Story is important to the Christmas faith.

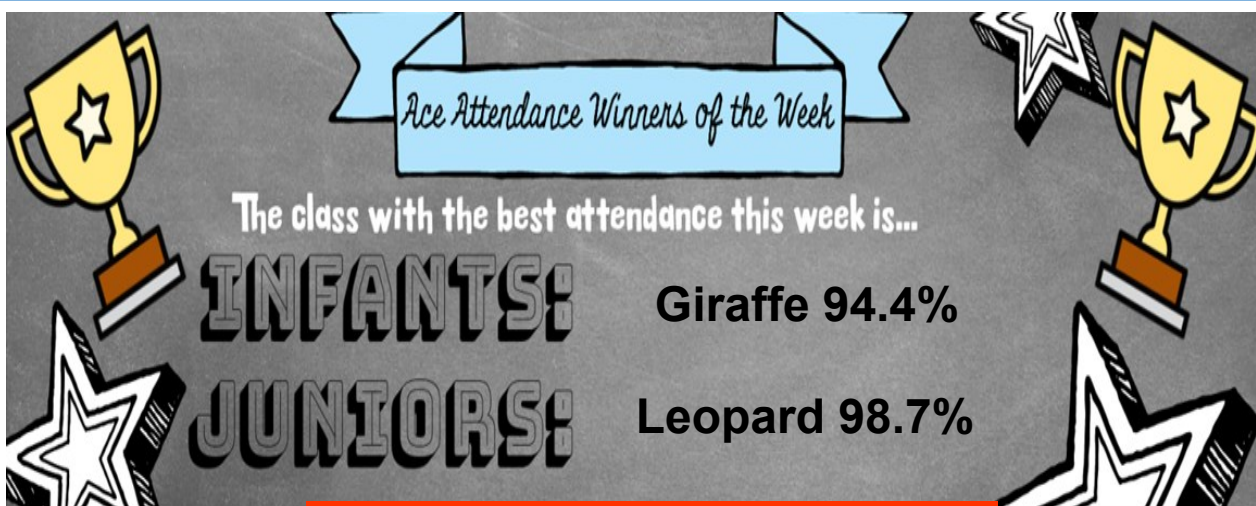

Neurodiversity Celebration Week

During worship this week we have reflected upon our uniqueness and celebrated our God given individuality, achievements and talents. This has included thinking about how our brains might be wired in different ways which affects how we think, move, process information and communicate. This links to neurodiversity celebration week and we have reflected that whilst we may think differently we all have amazing strengths to bring to our ACE community.

If you would like further information on Neurodiversity Celebration Week then please follow this link:

Our attendance target is 96%

Our ACE

CELEBRATION STARS OF THE WEEK

	Name	Reason
Koala	Millie W	For her amazing Jack and the Beanstalk picture.
	Paris K	For always trying her best when learning independently
Kangaroo	Lucas K	For a fantastic improvement in learning to blend
	Rahela A	For a great Jack and the Beanstalk picture
Panda	Kyle J	For fantastic scientific thinking during Science Day
	Theeran	For writing an excellent letter to Leo
Tiger	Cristopher	Excellent progress in Maths and having an 'I can' attitude
	Calum	For being a kind and helpful friend
Giraffe	Dylan S	For challenging himself and trying new things
	Louie H	For his role model behaviour during our trip
Zebra	Adeela A	For her excellent effort in phonics
	Margaret	For her thoughtful contributions during our trip
Lemur	Max B	For his excellent effort in his Maths learning
	William W	For his amazing use of noun phrases
Meerkat	Lily-May H	For her amazing effort in her maths and English work
	Freddie A	For his amazing effort in English
Rhino	Isla S	For her informative fact file about the history of ACE
	Florence S	For her excellent reasoning in our maths lesson
Elephant	Joey C	For his enthusiasm with his maths tough ten
	Krishna	For his effort and enthusiasm in his learning
Llama	Freya CS	For a fantastic fact file about Elizabeth I
	Lilly Ann H	For her excellent contributions in English
Buffalo	Scarlett B	For her fantastic attitude to learning
	Jorja B	For fantastic effort and improvement in Maths
Leopard	Ollie M	For an excellent report in a journalistic style
	Theo B	For great enthusiasm in his learning this week
Panther	Jason O	For always having an 'I can' attitude and showing resilience
	George C	For a fantastic report using parenthesis and speculation
