

Wow—how interesting!

WHAT a treat for Year 3 children this week when they had a virtual visit from Mark Pinnock. For those of you who don't know who he is, he is the 3rd person in the world to climb the seven summits at the first attempt—climbing the highest mountain in each of the continents. As part of their theme 'monstrous mountains' during this WOW event, they learnt how mountains

are formed, what equipment is needed to climb a mountain and what are the risks when climbing. Most people know that Mount Everest is the tallest mountain of them all but did you know that it grows by 4mm every year and that is all due to the tectonic plates that it sits on.

Book your Christmas lunch now!

Don't forget to book your school Christmas lunch online now. It will be served on 16th December and will be a Roast Chicken dinner with trimmings or a Quorn Fillet. A special Festive cookie will finish it

A charitable Christmas

HELLO everyone from your Pupil Leaders. This Christmas we are going to host a festive jumper day to raise money for Save the Children. This charity helps children who may not get anything for Christmas, they may not even have a home to sleep in. Please bring in £1 minimum and wear your favourite jumper on Friday 11 December.

There will also be a Christmas lunch on 16 December. We would like to ask you to give your child some tinned or packet food to bring to school that day or before. The food will be going to the Manna food bank who we support every year.

Please think and pray for the families who are not as fortunate as us and don't have what we do and spread the word of Jesus being born on Christmas day!

The mermaid is sick. They gave the mermaid some cream and a hat because she got sun burnt.

Weekly Reflection

He tends his flock like a shepherd: He gathers the lambs in his arms and carries them close to his heart; he gently leads those that have young.

Isaiah 40:11

Our ACE
