Science

This half term we have been working scientifically by carrying out investigations to test our predictions. To fit in with our theme, Ticket To Ride, we are going to make paper aeroplanes and test which ones fly the furthest. This week we are going to think about which type of paper would make the aeroplane fly the furthest. The children need to look around the house and gather some different types of paper, this might be newspaper, baking paper, tissue paper, cardboard etc. when they have gathered it they need to look at the different types of paper and predict which one would make the best paper aeroplane and why. The children then fill in the attached worksheet to explain their thoughts. Next week we will make and test the aeroplanes.

English

Thursday- See PDF file for instructions to plan your story.

Friday- Use your plan from yesterday to write your story about The Lighthouse Keeper's Lunch. Remember to write in the past tense and

include;

- capital letters and full stops
- finger spaces
- conjunctions (because, if, but, and, or)
- adjectives
- © question marks

RE How Do Christians Believe The Lord's Prayer Helps Them with "What Would Jesus Do?"?

Recap with the pupils the parts of The Lord's Prayer that the class has learnt so far.

Put a big plate of treats in front of your child, but challenge them to keep their eyes on something else in the room for 2 minutes!

- How do you feel?
- What do you want to do? Why?
- Do you think this challenge is easy or difficult?
- What are the things that we find tempting? Share examples: e.g. chocolate, money, staying up late, cheating, lying when told off, etc.

"What Would Jesus Do?" Some Christians ask this question to help them make decisions. Why and how might this help Christians? Some people wear a wristband with these initials on to always think of this question as they journey through life. Read and explain the next part of The Lord's Prayer: "Lead us not into temptation But deliver us from evil."

- What do you think this part of The Lord's Prayer means?

Explain: Jesus teaches that it is important to ask for God's help in overcoming temptation and protection from evil.

Activity

Draw a picture of yourself looking at the treats and draw a thought bubble to show what you were thinking.
