

# ACE LEARNING FROM HOME

Watch out in the coming weeks for **LEARNING FROM HOME** weekly activity sheets on our website from this Friday!

Each year group will have a fresh set of ideas for activities, tasks and research that your child can be completing if they are not able to come to school.

Also, look out for other special **LEARNING FROM HOME** projects and challenges focused on different curriculum areas that we will add in the coming weeks.

To get us started, here are eight **LEARNING FROM HOME** ideas and suggestions that you can be doing this week if you are not with us at school...

1. Write your entry for the governors' Time Travel writing competition – remember you can enter more than one category
2. Work on your Times Tables Rock Stars
3. Write a review of a book you have enjoyed recently, which we could publish in a future edition of ACE Highlights
4. Our last iShare Learning theme was 'Count Your Blessings'. Design some personalised greetings cards which you can give to people in your life you want to say thank you to.
5. The Tokyo Olympics 2020 is coming up soon. Find out about all the sports involved and research one that you don't know much about.
6. With Easter approaching soon, write an Easter prayer which we could read out in worship or put on our website.
7. A traditional food at Easter is hot cross buns. Find out about their history or, even better, research a recipe and bake some!
8. The Easter message is all about new life. Find as many images as you can that represent new life, and create an artwork.
