

## Year 3 Home Learning Challenges

Week commencing 23 March 2020

### English

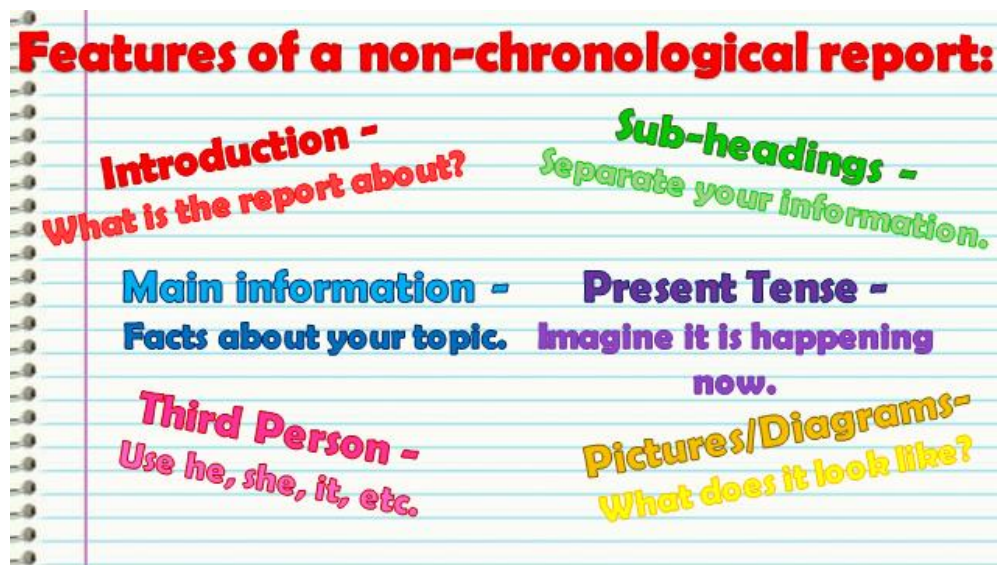

#### Non Chronological Report Writing

Children have been writing non-fiction reports about healthy food. There is lots of information about how to do this on the following website:

<https://www.theschoolrun.com/what-is-a-non-chronological-report>

Please use this information to plan and write a non-chronological report about one of your hobbies or interests. For example:

- a) Pets
- b) Sports
- c) Crafts

### Maths

This week, we are learning how to measure length and perimeter.

## Theme

We are learning about the human body – its skeleton and muscles. You can find out lots of information here.

<https://www.theschoolrun.com/homework-help/parts-body>

Some quizzes from Operation Ouch on CBBC!

<https://www.bbc.co.uk/cbbc/quizzes/guess-the-x-ray>

Think of a way to present the information you find. It could be a poster; a video, a report or a slideshow.

## PE

You may be stuck in the house but that does not mean you can't get some exercise!

You can challenge yourself to do as many push-ups or sit-ups as you can in one minute, then repeat that twice a day and see if you can improve your score.

Alternatively, try Maurice's great workout. Get ready to be tired out...

## RE

We have been learning about Holy Communion. You can find out more here.

Good luck with these activities. We look forward to giving you more next week.

Don't forget to read lots of fantastic books and keep washing your hands!
