

Ashford Church of England Primary School

Reception HOME LEARNING

Week Beginning 1/6/2020

Weekly message:

Hello everyone! We hope that you had a good half term and managed to enjoy some of the lovely weather we have been having recently.

We are starting our new theme this week which is really exciting! This half term we are going to be learning all about 'Creepy Crawlies'.

We have had a good look around in our gardens and these are some of the mini beasts we found:

We are going to be learning about a different mini beast each week, this week we will find out all about worms.

We would love to see some more of your work so please send us some pictures to:

koalascelebrations@ashford-primary.surrey.sch.uk or kangarooscelebrations@ashford-primary.surrey.sch.uk

Keep practising your sounds and reading every day if you can. Remember there are extra books online if you need them, follow the links to Big cat reading or Oxford Owl.

From Mrs Bailey, Mrs Forster and Mrs Weir

Theme: Creepy Crawlies Go on a mini beast hunt! You can go out into your garden or visit a local outdoor space. See what different mini beasts you can spot. Can you take a photo of what you have found? When you get back indoors draw pictures of what you found and see if you can write a label for each one. If you would like to tick off what you find there is a sheet at the end of the home learning.

RE: This half term we are thinking about why Jesus is a special person to Christians. We will start off this week by thinking about our own special people. Encourage your child to talk about who is special to them and what they do that makes them special. It might be someone in your family who looks after you or makes you feel happy. Ask your child to draw or paint this special person and write about why they are special. Show your child the picture of baby Jesus on the next page and talk about who it is and that he is a special person to Christians.

Writing: Re read or watch again the story of 'Superworm'. Talk about some of the ways that Superworm helped other people. Encourage your child to draw a picture of Superworm doing one of these things. Can they write a sentence to go with the picture? As an extension encourage your child to make up their own story about Superworm or pick a different minibeast that could do super things. It could be Superbee or Super ladybird!

Maths: Our maths learning this week is all about 'Superworm'. Please follow this link: <https://whiterosemaths.com/homelearning/early-years/>

Select Summer Term - Week 5 (w/c 18th May)

Funky fingers: a nice activity to build strength in fingers and hands. You will need some playdough. <https://www.youtube.com/watch?v=3K-CQriI0uY>

Music: Can you learn the song 'There's a worm at the bottom of my garden'? Watch the video to learn the words <https://www.youtube.com/watch?v=s5NEdQ904jY>

Busy learning activities: these are different activities linked to our theme of 'Creepy Crawlies' covering a range of areas within the Early Years curriculum:

Watch the video to find out some more information about worms: https://www.youtube.com/watch?v=l-zc_1vjLnl Can you write some facts about worms? Maybe you could draw a picture and label it?

Make your own wormery- Visit science sparks and learn to make your own wormery <https://www.science-sparks.com/make-your-own-wormery/> - we would love to see pictures of them.

Paper plate threading – paint and cut your plate into an apple shape – use string or pipe cleaners to be your worm eating their way through the apple. Can the children use a hole punch to make the hole? They have learnt how to do this at school.
