

Ashford Church of England Primary School

29 November 2016

Dear Parent/Carer,

We would like to invite you to a science workshop for parents on Thursday 15 December at 2.30pm. We are fortunate that Peter Stables JP MSc CEng MIET, of Surreystem.org will be visiting our school to work with children in Year 4. Mr Stables has been the principal presenter for SATRO (an educational charity and social enterprise working with young people in Surrey and the South East) for over 17 years.

After the Year 4 Science Event on Thursday 15 December, he will be sharing his experiences in presenting exciting and practical science with parents at Ashford Primary School. Peter will cover a range of science and technology topics that can be adapted and developed by parents for their own children. You will come away with lots of ideas, handouts and links to useful websites.

The workshop will last for approximately 45 minutes. Your school-attending children will be looked after in class until the workshop has ended.

Please indicate your intention to attend on the slip below and return directly to the school office by Friday 9 December There is a limited number of places available and these will be allocated on a first come-first served basis.

We hope to see you there.

Yours sincerely,

Richard Austin
Deputy Headteacher

Parents Workshop for Science and Technology

I will be attending on:

Thursday 15 December at 2.30pm

Child's name Class.....

Parent/Carer Name..... Signature.....
