

I have never been in a time machine
before ~~that~~ I said as I nervously stepped
inside. I had no idea that I was about to
set off on the journey of a lifetime.
I'd closed the door and pressed the button.
The time machine started shaking and ~~wobbling~~
wobbling as the journey went on. As we
came to a stop I was excited about the
adventure I was about to begin. When I opened
the door I peeked outside. I saw lots of dinosaurs.
I was scared because I heard a dinosaur
roar. As I ~~stepped~~ stepped out of the machine
I tried to be as quiet as a mouse. All
of the dinosaurs were gigantic. They
sightened me. Then I looked around and
saw a T-Rex. I could make friends
with it. I had an idea. I ~~decided~~ ^{decided} I
could climb on his back. I done
it and he almost saw me. It
was a risk because he could eat
me. Next he turned his head
and said what is your name?
I was shocked when I heard him
speak. I said my name was
Theo. What is your name? he said
his name was Hayden. We had
so much fun together. I eventually
became friends with all the
other dinosaurs. I had a ~~great~~
fantastic time with all of
them. It was so sad to leave all

as them behind but the time had come
to leave. The End

Time
Machine
