

Sport Premium Funding 2015 – 2016

Allocation of funds and impact

Activities selected	What this does	Targeted Pupils	Cost	Impact
Membership of Youth Sport Trust	Access to training opportunities for teachers and support staff, along with resources for improving the teaching and learning in PE around the school.	All	£240.00	CPD for staff to ensure a legacy of improved PE/Sport from the funding
Swimming (Travel)	Partial subsidy of transport costs for year 3 allowing pupils to access the pool at Bishop Wand.	Y3	£400	Small subsidy ensured disadvantaged pupils were able to take part in this essential experience.
Swimming (Coaching)	Partial subsidy of delivery of curriculum for year 3 allowing pupils to develop skills and learn about water safety.	Y3	£1430	Small subsidy ensured disadvantaged pupils were able to take part in this essential experience.
Spelthorne Sports Association Membership	Access to training for staff and enrolment in competition within the borough	All	£100.00	CPD for staff to ensure a legacy of improved PE/Sport from the funding
Real PE	Whole School resources and training helping teachers to deliver outstanding PE. Training will be starting in November.	All	£2195	Significant impact in improving PE delivery and upskilling staff. Important for building confidence in sport delivery.
Introduction of Archery Club	A new set of resources for the delivery of an after-school club targeting children who do not traditionally participate in after school sporting clubs. This will increase self-awareness and culminate in a House Tournament, raising the profile of the sport across the school.	KS2	£700	Targeted at pupils who do not normally take part in sport and was successful in engaging pupils.

Participation in a range of inter-school competitive sports	Part of the grant will be used to fund transport and resources allowing children in school to participate in a range of interschool sporting events throughout the calendar year. The impact of this will be expanded opportunities for children to represent the school.	All	£800	Wider representation of pupils taking part.
Expanded opportunities for children to represent the school.	Delivery of multi-sport inter-school festivals involving Ashford CE and other local schools Ashford CE will host several festivals for different year groups, inviting competitors from other schools, targeting those children who traditionally do not participate in school sports.	All	£300	Increased number of events attended and wider representation of pupils taking part.
Playground markings	A new set of playground markings involving netball and tennis courts, a cricket area, skipping circles and an activity trail	All	£500	New playground markings help to zone playground and offer a wider range of activities to ensure pupils are “motivated to move” and therein increasing participation.
Additional resources for the delivery of PE in EYFS, Key Stage 1 and Key Stage 2	New resources to support the delivery of PE in line with new scheme of work.	All	£1000	New resources in place giving wider opportunities and enabling staff to develop their practice in line with CPD listed above.
			Total Academic Year 2015/2016 £7665
