

Year 1

English

This half term we will be reading the books Iggy Peck Architect and The Magic Bed.

We will be focussing on:

- Using adjectives
- Paragraphs
- Punctuation including capital letters, full stops, exclamation marks and question marks.
- Writing for a range of purposes

Maths

During this half term we will be learning:

- Money – recognise coins and notes
- Understanding position and direction
- Place value – numbers within 100

This half-term we are reading:

Iggy Peck Architect
The Magic Bed

Summer 2

RE

Our big question is **Why did Jesus tell stories?**

We will be learning all about parables and the meanings behind them.

Science

In science this half term we will be focusing on investigative skills. The children will learn to predict and carry out a simple experiment.

Geography

In geography this half term we are learning all about how we can describe the world's oceans and continents. We will see where Ashford sits in the world and learn about the different oceans and continents.

DT

We will be learning about nutrition and making our own healthy smoothie.

Music

In music we will be appraising classical music and improvising with voices.

Computing

In computing this half term we will be learning to programme a floor robot.

PE

In PE this half term we are developing our gymnastic skills.
