

# Year 2

## English

This half term we will be reading two books, the first book is 'The journey home'. This book will include the children learning about extinct animals which links to their science learning. As part of this unit the children will be learning about persuasive writing.

The second book the children will be reading is 'The great fire of London' which links to our history learning. The children will be writing a wanted poster.

## Maths

We will be learning:

- Addition and Subtraction
  - Adding and Subtracting 1-digit numbers and 2-digit numbers
  - Number bonds to 10 and 20
- Statistics
  - Charts
  - Pictograms

This half-term we are reading:

## Autumn 2

## RE

This half term in RE we will be focusing on Christingle.

Our big question is How does the symbol of light help us to understand the meaning of Christmas for Christians?

## Science

We are learning about animal habitats to understand why animals choose to live in particular habitats.

## History

We will be learning about the Great Fire of London. We will be investigating what happened during the fire and what impact it had on London.

## Art /DT

We will be designing and making our own chairs.

## Music

We will be focussing on our upcoming nativity and also other Christmas songs, looking at beat and rhythm.

## Computing

We will be learning how to use cameras and different ways to take pictures.

## PE

This term in PE we will be focusing on dance and team building skills.
