

Year 2

Maths

Fractions

- We will focus on identifying parts and wholes and then recognising and finding quarters and thirds, counting in fractions up to a whole.

Time

- We will focus on telling the time to o'clock, half past, quarter past and quarter to. We will also be looking at the minutes in an hour and hours in a day.

This half-term

we are reading:

English

The Ocean meets the Sky

- We will focus on planning and writing our own fantasy story.

The Dragon Machine

- We will focus on learning to use apostrophes [for example, the girl's book], and continue to work on adding suffixes to spell longer words.

Summer 1

RE

Our big learning question for this half term will be – **‘How do the five pillars of Islam help a Muslim to show commitment to God (Allah)?’**

We will look at what it means to make a commitment and how Muslims show their commitment to their faith.

Science

This half term we are focussing on animals including humans. We will learn about animals and their young, food chains and how to stay healthy.

Geography

This half term we will be learning about seas and oceans. We will look at where the continents and oceans are in the world and consider how to protect our oceans.

Art

This half term we are sculpting clay to create houses.

Music

We will focus on pitch, rhythm and pulse to the song ‘friendship’.

Computing

We will be learning to make our own music using a programme called ‘chrome music lab’.

PE

We will be working on our athletics skills ready for Sports Day.

We will also be focussing on types of wall games.
