

Year 2

English

A walk in London by Salvatore Rubbino

We will be learning to add suffixes to spell longer words, including -ment, -ness, -ful, -less, -ly

The children will produce instructions, a persuasive poster, setting descriptions, captions, postcards and a diary entry

Rosie Revere Engineer by Andrea Beatty

We will be learning to:

- Recognise grammatical patterns
- Use commas in a list
- Use subordination words

The children will produce a short explanation, advertisement, letter of advice and school report card.

Maths

Shape

We will focus on recognising 2-D and 3-D shapes.

We are also learning about lines of symmetry and using these to complete shapes.

Position and Direction

We will focus on using the correct mathematical language to describe movement and turns of different objects.

This half-term

we are reading:

Summer 2

RE

Our big question for this half term is - **Why do Christians make and keep promises before God?** We will be looking at baptisms and the promises made by parents and godparents. We will also look at what happened when Jesus was baptised and what his baptism means to Christians.

Science

This half term we will be focusing on plants. We will be carrying out an investigations to find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

Geography

This half term we are learning all about London! There will be a focus on the Landmarks as well as why London is a popular travel destination. There will be a focus on local geography and comparing London to Ashford.

DT

This half term we are making healthy wraps

Music

We will focus on the history and language of music with the song ' Reflect, Rewind and Replay'.

Computing

We will be learning to create our own quizzes using scratch JR.

PE

We will be focussing on different types of game play such as targeted games and net and wall games
