Ashford Church of England Primary School

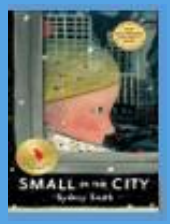

Year 3

Autumn 2

Maths

- We are developing our understanding of numbers up to 1000 and linking this to our understanding of measurement.
- We will be learning how we can use our knowledge of 10 and 100 to help us understand how 1000 is composed.
- We will also be learning to add and subtract numbers within 1000.
- We will also be learning about what angles are and how we can identify a right angle.

This half term we are reading

English

We will be focusing on the book 'The Tear Thief' by Carol Ann Duffy. We will be writing a diary entry, persuasive poster and learning to use figurative language with the final outcome of a newspaper article.

Then we will be focusing on 'Small in the City' by Sydney Smith. The children will be setting descriptions, poems, diary entries, dialogue and letters of advice.

DT

We will be designing and making a Christmas cushion.

Music

We will be learning to play the djembe drums.

RE

In RE we are learning about who Jesus is and how he presents himself to people. We are learning about how Christians believe Jesus is 'the light of the world' and how he cares and guides people in their lives.

Science

We are learning about forces and magnets. We will be investigating how magnets work and which materials are magnetic.

Geography

We will be learning about mountains, finding out about their features and researching the Himalayas.

Computing

We will be sequencing sound.

PE

We will be developing our dance and fitness skills.
