

Year 3

English

We are reading 'Flotsam' by David Wiesner. The children will be writing setting descriptions, postcards and letters. Their main outcome will be to write their own mystery narrative.

Then we will be focusing on 'Jim: A cautionary tale' by Hilaire Belloc and Mini Grey. The children will be writing warning posters and announcement, letters of apology and poetry.

Maths

This half term in maths we will focus on:

Shape

- Comparing angles
- Identifying different types of lines
- Recognising and describing 2-D and 3-D shapes

Statistics

- Exploring and drawing pictograms
- Interpreting and drawing bar models
- Collecting and representing data

This half-term we are reading:

Summer 2

DT

The children will be learning about seasonal foods and use this learning to create a seasonal food tart.

Music

Our new music unit is Reflect, Rewind and Replay recapping on the music learning from this year.

RE

Our big question in RE this half term is **'Who is Jesus?'**

We will be exploring the 'I am' statements and the meaning behind them.

Science

In Science this term our learning question will be:

Why do we have light and dark?

Geography

This half term we will be learning about the UK coastlines. We will investigate the importance of our coastline.

Computing

The children will be investigating events and actions in different programming software.

PE

We will be developing our skills in Cricket and swimming.
