

# Year 3

## Maths

This half term in maths we will focus on:

Time – Telling the time to 5 minutes and to the minute, reading time on a digital clock, identifying different units of time, Finding durations of time  
Shape - Comparing angles, identifying different types of lines, Recognising and describing 2-D and 3-D shapes  
Statistics - Exploring and drawing pictograms, Interpreting and drawing bar models, Collecting and representing data

## This half-term we are reading:

## English

We are reading 'Flotsam' by David Wiesner. The children will be writing setting descriptions, postcards and letters. Their main outcome will be to write their own mystery narrative.

Then we will be focusing on 'Jim: A cautionary tale' by Hilaire Belloc and Mini Grey. The children will be writing warning posters and announcement, letters of apology and poetry.

## Summer 2

## RE

Our big question in RE this half term is **'Who is Jesus?'**

We will be exploring the 'I am' statements and the meaning behind them.

## Science

In science this term our learning question will be:

**Why do we have light and dark?**

The children will learn about reflection, shadows and what light is.

## Geography

**Why is the UK coastline important?**

This half term we will learn about the UK coastlines. We will investigate the importance of our coastline.

## DT

The children will be learning about pneumatic mechanisms and creating their own toy.

## Music

Our new music unit will be learning 'Three Little Birds' by Bob Marley.

## Computing

The children will be investigating events and actions in different programming software.

## PE

We will be developing our skills in Cricket and basketball
