Ashford Church of England Primary School

# Year 4

## Autumn 2

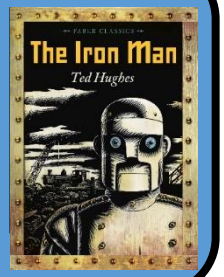

## Maths

In addition to our times tables practise in preparation for the multiplication check in June we will be learning about:

- Addition and Subtraction
- Understanding the composition of 1000 and other 4-digit numbers

**This half-term we are reading:**

## English

We will be reading 'The Iron Man' by Ted Hughes'. The children will develop their writing skills through improving their descriptive writing using letters and diaries. Their final piece of work will be a newspaper article.

Our guided reading book is a poetry anthology about our planet called "Poems from a Green and Blue Planet" by Sabrina Mahfouz.

## RE

We will be considering the relevance of the Christian message of peace at Christmas. We will focus on what Christmas means to believers and we will find out about the Bible's description of Jesus as the Prince of peace.

## Science

We will be investigating how some materials change state. We will also be looking in detail at the water cycle.

## Geography

We will investigate weather and climate. We will undertake fieldwork to measure different aspects of the weather. Finally, we will consider how the weather impacts our daily lives.

## DT

The children will make biscuits and then create their own recipe.

## French

Children will develop their vocabulary and understanding to be able to introduce themselves in French.

## Computing

We will learn how to use data loggers to record information about things around us including transport and the weather

## PE

We will be developing our skills in fitness and the skills needed to play football.
