

Year 4

Maths

In addition to our regular times tables practice we will also be covering:

- Fractions
- Decimals

We are continuing to read:

We are continuing the story of Odd and the Frost Giants by Neil Gaiman. The children's main outcome will be to retell the story of Odd's adventure from his point of view.

Our guided reading book is a non-fiction book called 'How Does a Lighthouse Work?', by Roman Belyaev.

SPRING 2

RE

We will be exploring the question: 'What is Holy Communion and how does it build a Christian Community?'

Science

We will be learning about what electricity is, and how to create simple circuits.

History

In History, we will consolidate our learning about British history so far with a unit focusing on local history.

DT

The children will design and make an alarm system using a circuit.

Music

Mrs Walker will be helping us to learn the basics of playing the recorder

Computing

The children will use an audio programme to record a podcast.

PE

On Mondays our PE sessions will be fitness and on Fridays, football.
