

Year 4

Maths

In addition to our times tables practise in preparation for the multiplication check in June we will be covering:

- Multiplication & Division
- Fractions

This half-term
we are reading:

English

We are continuing with our learning based on the book "Riddle of the Runes" by Janina Ramirez. The children will use the story as inspiration to write their own ending for historical fiction.

Our guided reading book is a poetry anthology about our planet called "Poems from a Green and Blue Planet" by Sabrina Mahfouz.

Spring 2

RE

We will be exploring the question: **'What is Holy Communion and how does it build a Christian Community?'**

Science

We will be learning about what electricity is, and how to create simple circuits.

Geography

In geography, we will be investigating the question, **'Why are rivers important?'** Children will learn about how rivers are formed and how they are affected by human activity.

DT

The children will design and make an alarm system using a circuit.

French

We will continue to widen our vocabulary by learning to describe and introduce our family members.

Computing

The children will learn how to digitally edit photographic images.

PE

On Mondays our PE sessions will be tag rugby and on Tuesdays, dance.
