

# Year 4

## Maths

In addition to our regular times tables practice, we will also be covering:

- decimals
- money
- shape
- position and direction

We will be reading The Jabberwocky by Lewis Carroll and Weslandia by Paul Fleischman

## English

We will be reading The Jabberwocky by Lewis Carroll and creating our own performance poetry, writing explanatory descriptions and writing our own nonsense poem.

We will also be reading Weslandia by Paul Fleischman and we will create our own shelters, write descriptions and finally a non-chronological report about our own civilisation.

## Summer 2

## RE

We will be investigating the question, 'Why is liturgy important to many Christians?'

## Science

In science we will be investigating the question, 'How are living things grouped?'. We will be classifying living things in our local environment and looking at how environments change.

## Geography

In geography, we will be investigating the question, 'Why should we protect the world's rainforests?' We will find out where in the world we find rainforests, the features of rainforests, the impacts of deforestation and why they are so important.

## Art

We will be looking at sculpture this half term and creating our own.

## Music

Our new music unit is Reflect, Rewind and Replay recapping on the music learning from this year.

## Computing

We will be using Scratch to design and create our own games.

## PE

On Mondays, our PE sessions will be dance and on Fridays, rounders.
