Ashford Church of England Primary School

Year 6

Autumn 2

Maths

We will be covering these topics:

The Four Operations: We will be learning about addition, subtraction multiplication and division as well as factors, prime, squared and cubed numbers.

Fractions: finding equivalent fractions; comparing and ordering; adding and subtraction; multiplying and dividing; finding fractions of an amount.

We will continue improving our arithmetic and mental maths skills.

This half-term we are reading:

English

We will finish reading The Arrival by Shaun Tan. Our writing will focus on understanding and using a range of different grammatical features to write a report and a narrative retelling..

We will also be reading Windrush Child by Benjamin Zephaniah. Our learning will centre around creating letters, poems and diary entries in role as different characters within the text.

In guided reading, we will start to practise our SATs skills whilst finishing Fly Me Home by Polly Ho-Yen.

RE

Our big question is: How do Christians advertise Christmas to show what Christmas means today? We will explore different advertisements and consider the difference between secular and religious views of Christmas.

Science

We will be investigating how electrical circuits can be changed. Children will have the opportunity to make and develop their own circuits as part of their learning.

History

Our big question is: Why is World War 2 an important part of British history? We will understand the main causes of WW2 and then explore how WW2 impacted different people and why it is considered a turning point in history.

DT

In DT we will be planning, designing and making an electrical hand-held game.

French

In French, we will be learning all about the vocabulary used at school.

Computing

We will be learning about websites and creating our own using Google Sites.

PE

This half-term, we will improve our overall fitness and develop our football skills.
