The Big Question?

Look up, look down, what is all around?

Spring 1

Our big question this half term gives us the opportunity to explore and discover all about our wonderful world.

We will look and learn about space. Thinking about how we travel into space and the job of an Astronaut. We will look at the planets in our solar system. We will adventure under the sea to find out about the wildlife living in the ocean.

Finally, we will be looking around our environment and how we can look after it. Thinking about how preserve animal habitats and the importance of recycling.

R.E

Our big question is...

Why do Christians believe that Jesus is special?

We will be learning that Christians believe that Jesus: Loves everyone; is God's son; was born as a human and works miracles.

Personal, Social, Emotional Development-

Identify and moderate their own feelings socially and emotionally. Show resilience and perseverance in the face of challenge

Communication & Language -

Learn new vocabulary.

Ask questions to find out more and to check they understand what has been said to them.

Physical Development-

Develop the foundations of a handwriting style which is fast, accurate and efficient. Develop overall body-strength, balance, co-ordination and agility.

Maths-

Continue to build on number knowledge to 10 with a focus on the composition of numbers.

Literacy-

Continue to learn new letter sounds and digraphs. Become more confident in blending sounds together to make words. Begin to read sentences and build fluency when reading. Begin to write dictated sentences.

Understanding of the World-

Explore the natural world around them, making comments and comparisons between different settings.

Expressive Art & Design-

Explore colour and colour mixing. Try a range of different techniques to make marks. Begin to join 2 pieces together.
