

# Year 1

## English

This half term we will be reading the books Stanley's stick and Leo and the Octopus.

We will be focussing on:

- Using adverbs
- Paragraphs
- Punctuation including capital letters, full stops, exclamation marks and question marks.

## Maths

This half term in maths we will focus on:

Place value within 50

Length and height

Mass and volume

Alongside this we will continue with addition and subtraction activities.

**This half-term we are reading:**

Stanley's Stick

Leo and the Octopus

# SPRING 2

## Music

This half term the children will be learning how to play a djembe drum to keep a beat.

## Art/ DT

This half term we are learning how to weave using a variety of materials.

## Geography

We will be learning about the continent Africa.

We will locate this continent on a world map, explore its weather and landscape so we can then compare life in Africa to the UK

## Science

This half term we are learning about Animals.

During our science lessons we will name a variety of animals and understand what they eat and how they look.

## RE

This half term we are learning about the Christian celebration of Easter.

Our big question is:

Why is Easter the most important festival for Christians?

## PE

This half term our focus is sending and receiving. We will use a range of resources and skills to pass to each other.

## Computing

We will be learning how to group and understand data. We will group data in different ways and understand how this helps to count.
