

Year 1

Maths

Every morning we will be practising our number skills by completing our 'tough ten' questions.

We will be exploring addition and subtraction within 10 before moving on to geometry and naming 2D and 3D shapes.

This half term we are reading...

English

- In English we are learning to write sentences with capital letters, finger spaces and full stops.
- We will then be learning about question marks and when we should use them.
- We will be learning to extend sentences using adjectives and conjunctions such as 'and' and 'because'.
- Towards Christmas the children will write their own Billy and the Beast story.

Autumn 2

RE

We will be reading the Nativity and finding out why each person is important in the story.

Science

This half term we are looking at the four seasons and the different weather associated with each season.

History/ Geography

To start our topic of toys through the ages we will be looking at a selection of Victorian toys from Chertsey museum. We will discuss how toys have changed over the years.

Art/ DT

We will be designing and making a puppet.

Music

We will be learning to find the pulse in a piece of music.

Computing

We will be creating our own digital paintings.

PE

We will be taking part in a variety of team building games and activities.
