

Welcome Back

WELCOME back to the Summer Term at ACE! This is my favourite term because usually the sun is shining, the evenings are lighter and the flowers are blooming. The Summer Term is full of lots exciting events and we have already begun planning these. This week we have had our first trip of the Summer Term when Year 1 went to Windsor Castle (see page 2) . We also have the celebration for the King's Coronation coming up including lots of different activities for the children, our picnic lunch, art activities and of course dressing up in red, white and blue. This term is a wonderful mixture of celebrating school traditions, like sports day and summer fayres, as well as farewells and new adventures.

It has been lovely to see so many children returning to school in their summer uniform. We have been reminding them about being 'super smart' and ensuring that they still have their shirt or polo shirt tucked in and that the rest of their uniform is worn correctly. There is a reminder on the school website about what the summer uniform looks like. <https://www.ashford-primary.surrey.sch.uk/parents/uniform.php>

We look forward to ending this school year on a real high and making wonderful memories together.

A trip to Royal Windsor

WHAT a beautiful day for trip to Windsor Castle. Year 1 children visited this historic castle as part of their theme this half term. They are learning all about castles and they came back with lots of knowledge! Nancy told us that it was the most famous castle in the world and Louis said that it was 1000 years old. Leo told us that King Charles lives there. Edward said that the King was only there when the Royal Standard was flying and that the Union Jack flies when he is not there. Shayan saw pictures of lots of past Kings but said there was only one Queen. They were so lucky to be there in time to see the changing of the guard and to hear the band play.
