

Down on the Farm

As part of their history learning about the Romans, Year 3 visited Butser Ancient Farm this week. The children spent time exploring a Celtic round house with a real fire and compared it to Roman villa. They took part in some exciting activities to bring their learning to life which included a villa tour, making their own jewellery, building a flint stone wall and designing a mosaic tile.

Best wishes to our of our families celebrating Chinese New Year on Saturday.

Dates for the diary

- 12TH—16TH February—Half term **SCHOOL CLOSED**
- 19th February—Children return to school

- 18th March—Year 2 National Art Gallery trip
- 19th/20th March—Reception Height and Weight Check

Year 4 Rockstars

YEAR 4 children looked like superstars on Thursday for their TT Rockstars day. As part of their Maths learning, they are practising their times tables. We think they all look amazing!

Safer Internet Day

ON Tuesday, the children took part in Safer Internet Day. This is a global event which helps to raise awareness of a safer and better internet for all, and especially children and young people. The children joined a live lesson hosted by the BBC and spent time in lessons learning about the ways in which we can all stay safe whilst enjoying all the amazing things the internet has to offer.

If you would like more information about how to help your children stay safe online please check out some of the websites below.

See next page for smart tips.

BE SMART ONLINE

S

SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M

MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

THINK
U
KNOW

A

ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R

RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T

TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

Going for Gold

CONGRATULATIONS to our Gold Award winners!
Well done on your exemplary behaviour. Keep up the good work!
