Year 6—Their Final Production

IN their final production for Primary School, Year 6 put on a performance of 'School Daze' for their families this week.

The children and teachers worked extremely hard putting it all together. A big well done to the whole year group.

Road Safety Training

A HUGE DHL lorry rolled into the playground on Thursday to give the Year 6 children some very important training on Road Safety Awareness. They were amazed to find out how far away you have to be from a lorry for the driver to actually see you!

This was a most useful training for Year 6 as they move on to their secondary schools and get used to making their own way to school. A big thank you to the DHL staff who attended our school to provide this amazing training.
