

## A Lovely Day for a Walk!

AFTER being rained off last week, Reception children finally got to go on their walk to visit St Matthews Church.

As part of their RE learning they are comparing churches and looking at other faiths and their places of worship.

While at St Matthews they looked at the artefacts in the church—the font where baptisms take place and the beautiful stained glass windows. They are also making their own version of the stained glass windows.

Father John was there to greet them and give them more stories of St Matthews.

## The Winter's Tale

IT may well be nearly Summer but The Winter's Tale is the name of a production taking place at the Royal Opera House in Covent Garden and one of our Year 4 children was given the chance to perform there. Max from Rhino Class is a Junior Associate of the Royal Ballet School and he successfully auditioned for a place with a thousand boys for only 5 spaces. Max was chosen to perform as the young Leontes. He is loving his chance to perform in such an iconic building with some huge stars of the ballet world. There is a live stream in cinemas on 22nd May so why not go and see what it is all about. A huge well done to Max for this great achievement.

Please see the school website if you need clarification on uniform.

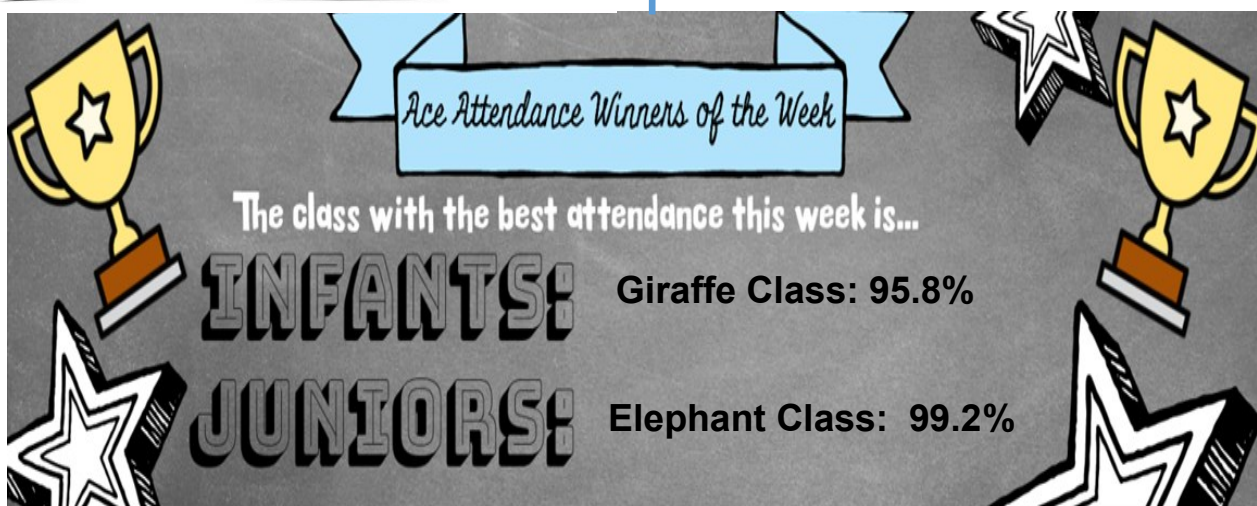

**They wear it well!**
