

# ACE's HIGHlights

16th May  
2025

ROCKSTARS Day in Year 4 was a mixture of face-paint, tattooed sleeves and hairspray! But, more importantly, it was a fantastic opportunity for the children to develop and share their passion for times tables!

Children completed maths challenges and quizzes based around learning their times tables facts and illustrated how they can use this knowledge in lots of different real life situations.

The children buddied up with Year 3 to demonstrate how to get the most out of the TTRS website and gifted each child with a card featuring their TT Rockstar alter ego and a selection of tips for learning their times tables

# ACE Achievers

THIS week we are saying a big well done to Sonny-James from Panda class who completed 2 clear rounds on his horse. A remarkable achievement!

Also from Panda class we have Ava and Isabelle who successfully gained their level 2 swimming certificate—well done girls a super achievement!

Lastly, but by no means least, our very own Headteacher, Mrs Bailey, achieving her own goals and not only Mrs Bailey but Mrs Welch and Mr Bough, two of our parent governors who all completed the Staines 10k last week. Well done to you all and to all our other parents who also took part in this running event.

## Super Year 6

WE are so proud of all of our Year 6 children who worked so hard this week sitting their SATs tests. It was a tough week but they did a sterling job and should feel proud of themselves. They had a celebration at the end of the week with a trip to the park and a film afternoon.

## Book Recommendations

RHINO class students Hugo and his friend recommend these non fiction RSPCA books. Hugo said he enjoyed the story of the pony who got stuck on a cliff and some people risked their lives to rescue it.

Hugo's friend said that she likes the books because she likes animals. She likes the stories because they are about animals being rescued and the animals are really cute. Also some of the animals don't have homes because they have been destroyed and people help to rehome them.

## Thank you

AS part of their RE learning, Year 2 children have been studying Islam. We were lucky enough to have Mrs Alsadik who is a parent of a child in Giraffe class to come in to tell us all about it. She talked about the 5 pillars of Islam and how these help Muslims to show their commitment to their God. A big thank you to Mrs Alsadik and for sharing your knowledge with the children.
