The Wonderful World of Wisley

ON Wednesday, Year 2 enjoyed a wonderful trip to RHS Wisley Gardens to launch their science topic about plants. They took part in a workshop where they planted their own bulbs to take home and learnt about the life cycle of a plant. The children explored the gardens, enjoyed a scavenger hunt collecting natural treasures, visited the glasshouse and the viewing mount and finally finished with some fun in the playground. Back at school, they used their collections to explore living and non-living things and create some beautiful art.

Keep Calm and Carry on—Discovering the Home Front

Year 6 launched their new history topic this week with an exciting visit from Chertsey Museum. As part of their learning about why the Second World War was a turning point in British history, the children explored life on the home front, including rationing, blackouts and air raids. During the hands-on workshop, they enjoyed handling authentic artefacts and taking part in a range of engaging activities, helping to bring this important period of history to life.

Strange Discovery in Year 4!

YEAR 4 have completed some news bulletins about a strange occurrence in their classroom this week linked to their new reading book, 'The Iron Man' by Ted Hughes.

On Monday they found some interesting, shiny objects in their classrooms. The children think that a creature might have fallen apart while visiting the classroom. We asked some witnesses to the strange discovery. Mrs Edwards said that she had run out of the classroom screaming, "I couldn't believe my eyes!".

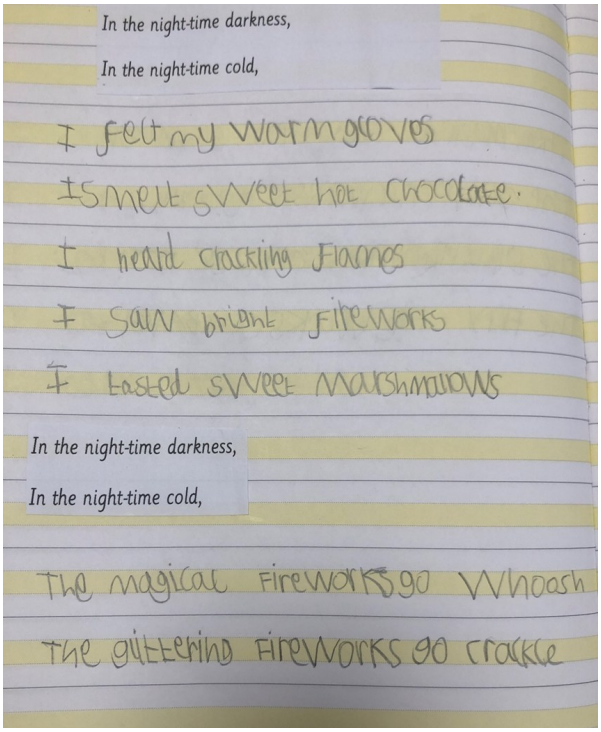

If you see anything suspicious, please contact ACE as soon as possible!

Cabin Creativity

OUR children that learn in the Cabin in the mornings have been busy creating some lovely writing and art about fireworks. It is so good that we wanted to share it with you!

Poem:

'Our Neighbours'
Nice people
Everyone respects our school
I am glad that our school is very helpful
Good times on our street
Helpful people
Brighter days
Outside our school are your houses
You live outside a school (we will be loud!)
Remember that our school is a caring Christian community.
We are happy that you are our neighbours, thankyou for understanding!

Special mention to David from Llama class our runner up.

Our New Wrap Around Care

A BIG thank you to all of you for bearing with us after the unexpected closing of OSCAH's our breakfast and after school care provision for many years.

We are delighted that we were able to cover things so well at such short notice with the help of our amazing staff.

The new provision has now started and we are delighted that Sarah who led OSCAHs has agreed to come back to lead the new provision.

If you would like to book your child in for breakfast club or after school club you can now do so via Tucasi.

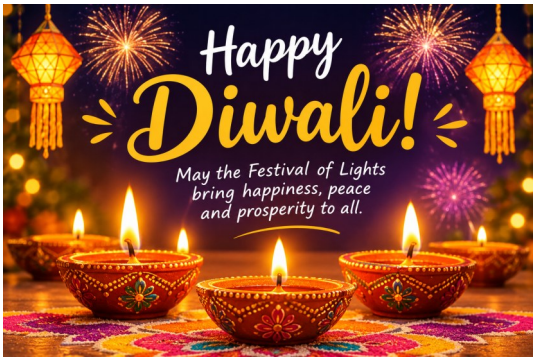

In the meantime, here are a few photos of what they have been doing at breakfast and afterschool club this week.

Happy Diwali

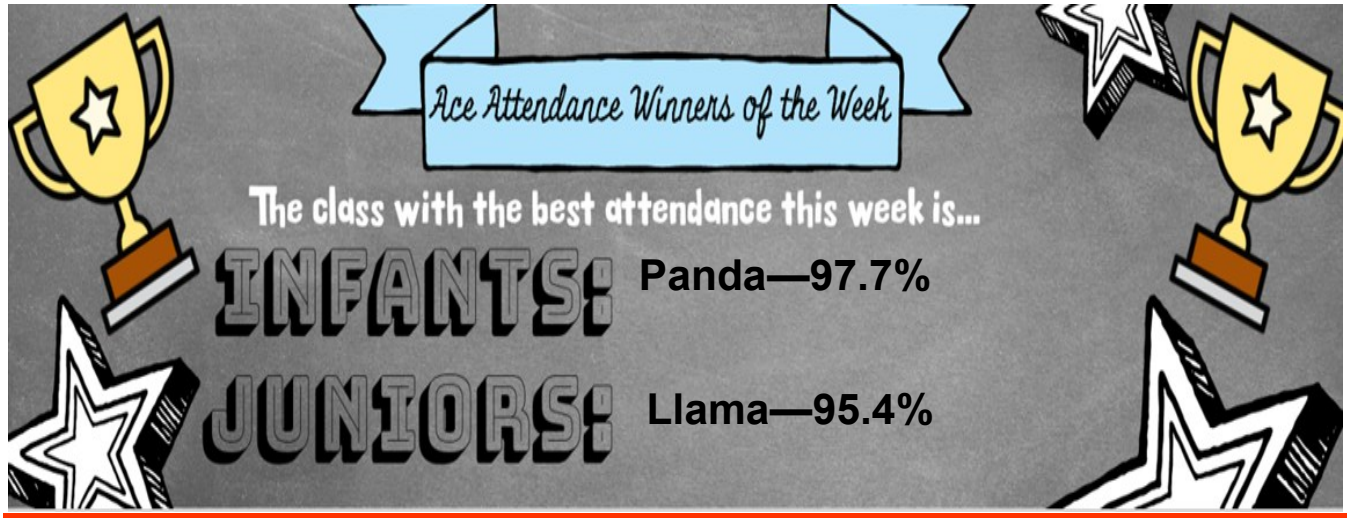

Wishing a very Happy Diwali to anyone who will be celebrating over the next few days.
