

Celebrate Good Times

RECEPTION children have been learning all about how birthdays are celebrated in different cultures. This week they had a celebration of their own with traditional party games such as pin the tail on the donkey and musical statues. They all looked lovely in their party clothes.

Dates for the diary

- 5th December—
Infant Nativity
1.30pm
- 6th December—
Infant Nativity

**SCHOOL CLOSSES
EARLY.**
- 18th December—
1st January
**Christmas
Holidays SCHOOL
CLOSED**
- 2nd January—
**INSET DAY
SCHOOL CLOSED**

Space-tacular!

THIS amazing piece of home learning was created by Joshua from Buffalo class. We were so impressed with his hard work to make this moving model of the Solar System we simply had to share it with you all. Well done Joshua!

Reminders

JUNIOR children are permitted to bring a fruit snack at break time every day. ALL other food should be kept in the lunch box until lunch time. Please provide ONLY fruit for break.

Water Bottles

ALL children should bring a water bottle to school everyday. Bottles should contain only water and can be refilled at the drinking fountains. We have an increasing number

of children forgetting their water bottles and we have no spare bottles left in school and a limited number of cups. Keeping hydrated is really

important even when it's not hot. Please try to remember your water bottle every day.

Something's Cooking in the Kitchen

CHILDREN in cookery club have been learning lots of skills over the past few weeks. This week they practised their chopping skills when they were chopping up their toppings for their Pitta Pizzas. They chopped up peppers, onions and mushrooms and then grated cheese. After piling their pittas high with toppings they were taken home to be cooked and eaten. Yum yum!

What's your Talent?

WE are very proud of all of our children and their achievements here at ACE. Now we would like to know about things they might achieve outside of school.

Perhaps you play a musical instrument, or you are an amazing dancer. You could have gained certificate in swimming or your football team could have won a local league. There are so many things we know that children are taking part in after school and we would like to find out about them.

You could feature in ACE's Highlights or on a display in school.

This will be an ongoing feature so if you don't have anything to share at this moment don't worry. You can send your achievements to us at any point during the school year.

Email us a photo and a few lines about your achievement to info@ashford-primary.surrey.sch.uk

Wonderful Writing

YEAR 4 children have been reading a book called The Iron Man. They have produced some amazing writing based on this book and we would like to share this piece with you.

Sky had thought up an amazing plan to satisfy the glass snake. She decided to ask for some old cutlery, glasses and plates. Once she'd collected everything she needed, she found the glass snake and put everything in front of her. The glass snake's tail glowed yellow in happiness so she hugged Sky's leg in gratitude. Because of that Sky collects more food for the snake feeling happy to help. After all of this happening, everybody could live in peace and love. Or could they?.....
