

Welcome Back!

WELCOME back to the new school year! I hope that you had a lovely summer break. The children have already made a good start this week; settling into their new classes, reconnecting with their friends and thinking about aspirations for their learning this year.

In worship this week we have been thinking about how we would like our school community to be this year. The children were able to think of some fantastic ideas such as:

We reflected about how we all have an important part to play in our community and we look forward to working in partnership with you this year to help our children to 'be the best that they can be.'

Next week we have our 'Meet the Teacher' meetings in school, please see the next page for the dates of these. This is a great opportunity to hear about the learning and exciting activities that we have planned, please do come along!

Finally, I would like to take this opportunity to introduce the Senior Leadership Team to you. Please do come and say hello when you see us on the gate before or after school.

We are looking forward to an exciting year ahead, giving our children the opportunity to achieve their highest potential, living and learning in the fullness of God.

Mrs Bailey

Our Summer Holidays

WOW! It has been amazing to see all the new experiences the children have had over the holidays. We hope you all had a fabulous Summer!

A Big ACE Thank You

WE were super excited to see our new ACE bug hotel installed at the back of our field next to our forest school area. This structure was expertly made and donated by the parents of Oakley from Buffalo Class and Fletcher who will be joining our Reception next week and who both helped collect the natural resources to encourage bugs.

A thank you also to Mr Marter, Father of Henry and Albert who erected the letters for us. The biggest thank you for this wonderful gift and we hope lots of bugs come to stay!
