

## Sent to the tower!

AS part of their crime and punishment theme, Year 6 paid a visit to the Tower of London this week. We all know that the Crown Jewels are housed there but Year 6 discovered there was so much more to the

tower than the Crown Jewels. They saw the famous ravens that live there. There must be 6 ravens at the Tower for superstitious reasons. Legend says that if they leave the Tower the Kingdom will fall! 22 executions took place there with the last one happening in August 1941.

## A - Tissue!

THERE are lots of coughs and colds around at the moment and we are going through tissues very fast. Please help us keep germs at arms length and pop a box of tissues for us in your trolley next time you are in the supermarket. Thank you so much for your continued support.

## Looking the part

OUR football teams are looking very smart and it's all thanks to Gregory Brown the Estate Agent. We would like to say a huge thank you for their generous donation of our smart new football kit. We think you will agree that our girls look fantastic. We hope it will bring us luck and goals!

## Be a smarter parker

Parking around school at pick up and drop off can be a problem. Most schools are the same. When you are parking around school please firstly consider our children. Will they be safe where you have parked? Secondly please consider our neighbours. They still need to get in and out of their driveways. Lastly please consider yourself— ensure that you are legally parked. Do not park directly in front of the school on the zigzag lines and even if you are very late please don't abandon your car in the rush. We want to keep all of our children, parents, carers and neighbours safe and happy.
