

What do points make?

POINTS make a winning team. Both infant and junior children used their general knowledge to answer questions during the Inter House Quiz last week to get as many points as they could for their Houses. A selection

of children across the year groups worked in teams to win points for their House. A huge well done to all the children who took part. Congratulations to Foxall who won for the Juniors and Howard who won for the Infants. The overall winners were Howard.

Writers' Corner

The darkness wraps around me like a cloak waiting to engulf me; yet peaceful and eager thoughts go through my head, as I linger with anticipation for the sunrise.

The sun greets the clouds, as it creeps gently up to the sky. Purple and pink hues filling the sky, as they run away from the darkness.

Once a week, take a peak

PLEASE can we politely request that you regularly check you child's hair for nits and head lice. There have been several cases reported in school recently and while it is unavoidable we try to keep the spread of these little pests down to a minimum. Thank you.

Weekly Reflection

Every good and perfect gift is from above, coming down from the Father of heavenly lights, who does not change like shifting shadows.

James 1 :7

The beat of the drum

IN fact the beat of many drums could be heard around school on Thursday when Year 1 participated in an African Drumming Workshop. They certainly had a lot of fun learning about African instruments, African dancing and some African songs. See if you recognise the lyrics!

**Tsamina Mina eh eh, Waka Waka eh eh,
Tsamina mina zangelewa, this time for Africa**
